- A Personal Computer / Laptop. Please don't take the test from Mobile Browser.
- A Webcam connected with the System/In-built Webcam in a laptop.
- Smooth and uninterrupted Internet connectivity (throughout the testing session), minimum 1 MBPS/4G.

Browser/OS Requirements:

- This Assessment is supported by the below-listed Browsers/Versions only.
- Google Chrome (version 40 and above)
- Mozilla Firefox (version 40 and above)
- In case you're taking the test on Windows 8, make sure you use the latest version and disable all the popups/ notifications.

Do's & Don't- Instructions:

- Complete the test in one go, no breaks allowed in-between.
- This is a timed test; it is essential to keep track of time while answering the questions.
- Answer all the questions and complete all the modules.
- There is no negative marking.
- You cannot change your answer to any previous question.
- Do not click on Module Exit or Test Exit.
- Ensure that while taking the test, **no other tab/window/link is opened simultaneously on your system else your scores will not be processed.**
- Do not try to take screenshots of the test, else your test will be locked & you won't be able to complete the test.
- Please **disable all POP-UPS/ Notifications** before starting the test.
- Ensure your **face is clearly visible on the webcam. Do not wear a cap, scarf, goggles/ sunglasses, headphones, earphones**, etc., or hide your face during the test.
- Please ensure that no one else is sitting with you during the entire duration of the test.

Steps for starting the test:

- For taking the exam type the URL in the address bar of the Web Browser.
- Enter the username and password given to you to login. Do not copy-paste the Username and Password. Always type in.
- Click on Start New Test.

- You will be automatically prompted to 'Allow' your Camera to be enabled, please 'ACCEPT' the request. This will prompt a message 'You Are Under Surveillance'. Your camera is now enabled.
- Fill the registration form.
- Click on Start Test and keep a note of your AMCAT ID as mentioned on the top.
- To answer a question, click on Confirm and then Next to submit your answer. Do not click on Module Exit or Test Exit.
- If your test gets stuck at any point, there is a 'Resume Test' option that will enable you to restart the test at the same place where you got stuck. Please ensure that you Resume the Test within 2 hours of your test being stopped, otherwise your login will expire, and you won't be able to complete the test.
- Students can use calculator apart from that no electronics gadgets are allowed including cell phone.

Note: Since this is an online proctored examination so students can give exam at their place from 27th March 2025 9.00 am onwards till 29th March 2025 8.00 pm, but in case if students are having lack of resources they can give exam from college only on Thursday 27th March and Friday 28th March 2025 from 10 am to 6 pm.

In case of any Issue during the test please seek help from Online Chat Support.
